Statement:

I'm proud to serve as your state representative.

I'm running for re-election because I want the same opportunities for the next generation as there were when I came to Alaska over 35 years ago.

Anchorage and specifically Muldoon is home. The first thing you need to know about Muldoon is that it's not just a road in Anchorage; it's a diverse community of hard working people. JBER (Elmendorf) is also in this district. I have been a proactive supporter of the military, serving as the co-chair of the House Military & Veterans' Affairs Committee. I have fought—and will continue to fight—for our military service members and their families.

Some important legislative accomplishments include

- * Allowing military service to be counted towards certain state retirement benefits;
- * Raising funding for K-12 education by \$100 million and increasing the Base Student Allocation;
- * Providing parents a way to place unwanted infants with peace officers, emergency services, or hospitals, instead of abandoning them;
- * Reaffirming the state's commitment to the development of a natural gas pipeline.

We were also able to secure funding for capital projects in this district, including much needed funding for roads and schools.

As your representative, I have the experience and knowledge to hit the ground running next year.

I believe you have to know people to represent them and I am grateful to have met so many of you. Your concerns are important to me and I look forward to **earning** your vote.
